

Corporate Fact Sheet

About Hexaware

Hexaware Technologies is a leading global provider of IT & BPO services and consulting. Founded in 1990, the company has grown to over 6000 employees worldwide, its driving philosophy of "YOUR SUCCESS IS OUR FOCUS" helping clients achieve competitive advantage by combining their IT staff with offshore resources and co-developing innovative IT capabilities. Having achieved the rare distinction of SEI CMMI Level 5, ISO 9001 and SAS 70 Type I certifications, the company's core expertise spans development support, integration, implementation and testing services across all major enterprise software systems such as PeopleSoft, Oracle, SAP and Microsoft. With development centers and sales offices throughout the world, Hexaware is headquartered in Mumbai, India and has regional headquarters in New Jersey, London and Singapore.
